# **Congratulations Class of 2009**

*Dear Graduates:*

*Congratulations to each and every one of you on your important achievement. By working hard and with the help of your dedicated teachers, you have reached an important milestone in your life. Soon you will leave the nurturing confines of an excellent school system to enter a world that will not always be as supportive of your development into a well-rounded, productive citizen of the world. It is my sincere hope that the strong foundation given to you during your time in the Norton Public Schools will act as a springboard for future accomplishments in your chosen endeavors.*

*As you travel down the road of life, be sure to make space for a “fun pathway”. I can imagine your parents saying “No problem there. One thing my kid knows how to do is have fun!”*

*Let me explain what I mean by a “fun pathway”. You are ready to go out into the world and assume adult responsibilities that take a lot of time and energy, whether your career path takes you on to higher education or into the work force. It doesn’t take long to become too busy and over-stressed to look for the humor in everyday situations. Before that happens, make a habit of reminding yourself that laughter is good for both the soul and the body. A growing body of medical research supports the theory that laughter has a therapeutic value. It not only helps the spirit, it gets the blood pumping, just like jogging.*

*Again, congratulations, and remember that effort will propel you towards achieving your dreams.*

*Sincerely,*

"Do not look back and grieve over the past, for it is gone; and do not be troubled about the future, for it has not yet come. Live in the present, and make it so beautiful that it will be worth remembering."

# To the Class of 2009:

*Congratulations on making it to graduation. Take some time to be proud of yourselves, but understand that your journey has only just begun.*

*As you leave Norton High School, we hope that you leave prepared for what comes next, be it further education, a trade, or some other adventure. We also hope that you keep a little Lancer Pride with you always. Know that we will always be proud of you.*

*Five recommendations as you move on:*

- 1. Take responsibility for yourself in every aspect of your life.*
- 2. Take intelligent risks.*
- 3. Pursue your passions rather than a paycheck.*
- 4. Find out what your best effort is, and then give it all the time.*
- 5. Make sure that when you look back on your life when you are 95 that you say that your high school years were great, but they were not the best years of your life. In fact, try to make it hard to decide which years were the best because they were all pretty special.*

*You have made an imprint here, and you will be missed.*

*Sincerely,*

*Raymond Dewar  
Principal, Norton High School*

# To the Senior Class:

*As you go out into the world, ask yourselves, first and foremost, how you can change lives. The world desperately needs you. You have prepared yourselves, so fear not! Don't forget these words from Dr. Seuss in The Lorax:*

*"Unless someone like you cares a whole awful lot,  
Nothing is going to get better. It's not."*

*Now go, continue your education and change the world in big and small ways, but never forget your roots here in Norton. Best of luck Class of 2009!*

*Michael Barth  
Vice Principal, Norton High School*

The Freshmen Advisory Program, brainchild of Mrs. Lafayette, was launched at Norton High this year. A typical "advisory" consists of about 15 freshmen, one advisor, and 2-3 sophomore, junior, or senior mentors. These groups meet every Tuesday and Friday during SSR, with activities ranging from discussing time management to challenging another advisory to a game of volleyball. This year's advisors include Mrs. Guillermo, Mr. Brown, Mrs. Gibson, Mr. Paulus, Mr. Kefor, Mr. Barth, Ms. Nastri, Mrs. Ito, Mr. Dewar, Mr. Grasso, Ms. Malone, Mrs. Young, Ms. Siegal, and Mrs. Lafayette; and student mentors include Mike Twitchell, Kori Sweeney, Kayla Bessette, Caroline McNeil, Josh Archer, Brenden Howarth, Andrew Swiderski, Michelle Lee, Sam Baker, Richard Travers, Krissy Comperchio, Jess Wayslow, Michelle Le, Emily Hastings, Rosemary Le, Colleen O'Neil, Kate Baird, Maria McNeil, Michelle Kilburn, Kristen Morris, Keegan Schleicher, Laura Ready, Christine McBride, Carolyn Le, Priya Patel, Kevin Fisher, Madeline Pizzuto, Audra Schlehueber, Sam Hayes, Amanda Lizio, Kelly Allen, Aaron Ledwith, Brian Desmond, Nicolette Schuko, Kim Birkett, Jamie Robinson, and Conor Regan.

"I absolutely loved advisory this year! We named ourselves the Wild Thangs. We loved the idea of being able to have a theme song. I had three great mentors, Rosemary Le, Colleen O'Neil & Kate Baird, who brought in brownies/cookies for us almost every week. They were extremely tasty. Mr. Barth was very upbeat & exciting. We did activities like high/low, random acts of kindness, picture analyzing, human knots, career tests, etc.. My mentors & advisors were very helpful & answered all of my questions patiently- and I had a lot of questions. I really enjoyed advisory & I hope that Norton High keeps it around for a long time so all upcoming freshmen can have the same experience that I had!" - Sara Pishdadian

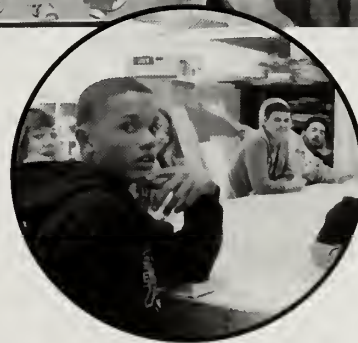

# freshman

"Freshmen advisory turned out to be a great tool for the incoming freshmen. I think that it helped a lot with getting used to high school and getting to know people that I might not have really interacted with before. Freshmen advisory is a great place to spend time, as well as to find out information that I didn't understand or didn't get before. After the couple first weeks, everything gets a lot better from there. You get to know everyone in your group very well and you basically become friends with them, which might have been a strange thought at first because some of the people you wouldn't even have thought of hanging out with." - Peter Le

Many members participate in a variety of activities, individually and as a group, throughout the school year. Many members volunteer their time as peer tutors after school and are also called upon to volunteer at various school and town events, including the babysitting at the Yelle School's "Shop 'til you Drop" fundraiser, the LGN Winter Carnival and the JCS Spring Fair. This year the chapter is hosting its first ever Senior Senior Prom for residents of the Epoch assisted living center and nursing home. They will also be participating in the Bike-A-Thon for scholarships. During this annual event members solicit pledges for completing a 10 mile bicycle ride around Norton. Norton High School thanks these dedicated students for their impeccable service.

# Art Honor Society

The Art Honor Society has been at Norton High School for 23 years. To be in this Society students must maintain a B average in their art class(es). The Society has three goals: to serve the community, to raise money for senior scholarships, and to continue to excel academically in all other subjects. The Society visits Epoch often and does activities such as painting pots. In March the Art show takes place, which the Society is responsible for setting up and selling items at. For fundraisers the Society paints pumpkins for Halloween and address slates in the spring. It is their hope through fund raising that every senior can receive money for college. Run by Mrs. Lewicki, the Art Honor Society continues to show its excellence everyday at Norton High, and even contributes to Local Colour showing its exquisite artwork.

To be a member a student must have a math average of a B+ from their freshmen and sophomore years and demonstrate excellent character. In the future Mrs. Taylor would like to compete online and maybe even in the New England Math League. This new Society is sure to accomplish great things, and is already on the right track!

The DECA program was started by business/technology teachers Mrs. Heather Albritton and Mr. Cory Rogers. DECA provides a good influence for many of the students in the high school by helping plan for future careers in business. It allows the students to have fun and make a positive effect on the community, all while learning. It helps with many aspects that a person should be able to obtain. These things consist of leadership, confidence, and usable skills. This organization is relatively new to Norton High School; only starting 4 years ago. With the DECA program comes the DECA Action Team. This team is made up of Megan Leroux, Samantha Ehrlich, Michelle Kilburn, Ty Nordbeck, Ricky Travers, Colleen O'Neil, Kate Baird, Jess Quintanilha, and Nick Bradley. These students are the leaders of all of the other students and organize everything for the competitions.

Student Council is an organization that helps boost school spirit, and seeks input to help better the school. Along with this, these students are the voice of the student population of Norton High School. Continuously throughout the year they are coming up with fundraisers and different ideas to get people involved within the community. Like previous years, the STUCO members hosted many different activities for the school. These activities consist of the Homecoming Dance, Spirit Week, the Santa Fund, and the pep rally. During the holidays the Santa Fund was a hit! They collected money from students with which they used to buy presents for the people who didn't have enough to give to their children. Also, they help out and play games with the people in the nursing home at EPOCH. They put on activities that are a great success, such as the talent show and the hypnotist show. During these events they help the stage crew, and make sure that everything goes smoothly. The leaders of STUCO are President Emily Carmichael, Vice President CJ McMahon, Treasurer Ravi Patel, Secretary Michelle Le, Webmaster Rosemary Le, and Historian Shannon Doyle.

This year, the Drama Club performed Oscar Wilde's satirical comedy, *The Importance of Being Earnest*. The main cast members included Michael Ahern as Jack Worthing, Timothy Mollins as Algernon Moncrieff, Hilary Schwartz as Gwendolen Fairfax, Kori Sweeney as Lady Bracknell, Douglas Valeri as Dr. Chasuble, and Kimberly Smith as Cecily Cardew. In addition, Emily Jestus was Miss Prism, Victoria Derksen was Miss Merriman; Cindy Brooks, Amanda Lizio and Madeleine Davern were maids; Brad McKeen made his debut stage appearance as the gardener; and Erik McCormick had a breakout success as Lane, the butler. Technical crew members included Assistant Director Kelley Morris, Tech Crew Captain Victoria Miller, and Kayla Flaherty, Kayla Tocci, and Briana Rainville. Rehearsals were held every Tuesday and Thursday from September to November in preparation for the show, and in the process the students learned a lot about costumes, set, and props in addition to acting and physical comedy. All members of the Drama Club worked very hard to put on a great show, and their efforts paid off! The Drama Club was also responsible for helping with the Senior Class Play, *Nightmare High School*, in March. Several senior members of the club landed starring roles in that play as well. Underclass members of the Drama Club worked technical crew on lights, props, and set in order for the show to be a success.

# nhs band

The Norton High School Band is a group of students who meet every day to play music. The Jazz, Pep, and Concert Band had a great year. Seniors Doug Valeri, Jackie Mustafa, Chris Anderson, Brianna Rainville, and Dean Parlon helped add a little more music into the school for their final year at Norton. These students couldn't do it without the help from their fellow band members. Together, they helped each other grow and learn more about music.

The Norton High School Chorus, led by Miss Polak, is a large group of talented, creative, and fun musicians. Every rehearsal is a chance to improve vocal ability and learn to enjoy and appreciate all varieties of composition. The music they prepare for both the Winter and Spring Concerts includes challenging music from all sorts of cultures. This year the group entered into a singing competition sponsored by Cardi's Furniture. The Norton Chorus ended up winning the competition and won free tickets to "How The Grinch Stole Christmas", and the opportunity to sing in the lobby prior to the show. The Norton Chorus has done some great things and the future will only bring more.

The students who participate in Students Against Destructive Decisions help to promote an environment in which fellow classmates are encouraged to make good decisions. SADD runs two blood drives each year, helps run and facilitates the mock crash, and helps create awareness regarding teenage pregnancy issues and STD's. They also helped run the Kathi Meyer Underage Drinking presentation. The members of SADD are a part of the Tri Town Community Task Force and have attended Mental Health conferences. SADD holds weekly meetings to discuss "hot topics."

Miss Beisheim's Environmental Science classes began a paper recycling program during academic year 2006-2007. With the help of Assistant Principal Michael Barth and custodian John Young, the Environmental classes obtained recycle bins from the state which were placed in each classroom and office at the high school, as well as at the superintendent's office. This year's Environmental Science classes have not only continued the paper recycling efforts, but have also added plastic, aluminum, and glass beverage container recycling. Each week the Environmental classes are responsible for collecting accumulated recyclables from classrooms and offices. Although Miss Beisheim oversees the whole program, it has been designed and organized by students. This recycling effort is also a fundraiser for the Environment Science classes. The classes earn \$5 per one ton of paper recycled.

# teacher appreciation

The Teacher Appreciation Committee was created in 2005 with the mission of taking action to recognize the effort and dedication of Norton's teachers. The committee holds many fundraisers throughout the year, such as game show nights, sweatshirt sales, and selling Hilliards chocolate bars. In past years, the money earned from these fundraisers has gone toward a special night of dinner, dancing, and superlatives for all of the teachers in the district. This year, the money will finance teacher breakfasts at the lower schools and a pizza lunch for the high school staff.

# baseball

The 2008 baseball team had a very successful year, making the playoffs for the second year in a row. Graduated seniors and captains Ben Hastings and Dave Billotte, along with Ryan Kirrane, Cory Hatch, and Jeff Moore guided the way to a successful season. They showed leadership on and off the field for their four years on the team. Along with the seniors, juniors and 2009 captains Sean Ryan and Ricky Travers, Devin Askew and Nick Salvo; and sophomores Eddie Hannon, Scott Fraatz, and Bryan Feeney, also made huge contributions to make the season a victorious one. However, the 2008 season was David Mollica's final season of coaching the Norton Lancers; and he ended it off with a huge accomplishment. We will miss him greatly and all he has done to build the team.

Graduated seniors and captains Erin Dion and Alicia Scanlon, along with Ashley LaRochelle and Stephanie Bryant contributed greatly to the team's efforts. Juniors Chelsie Schuko, Casey Remick, and Brianna Freeman's success at bat helped lead the team to victories. They all showed great leadership even when there were some downfalls. The 2008 boys tennis season was a season of many firsts for this team. It was the first time they had a 6'4" Swedish exchange student with a rocket serve. It was the first time the team had a record greater than 0.500. It was also the first time this team had made the playoffs in over 8 years. Finishing 12-8 overall in the competitive Tri-Valley League, seniors Chris Brooks, Zack Schleicher, Kevin Sands and Ryan Kok finally saw four years of hard work pay off. Although the seniors were very successful in doubles, they also had some singles help from exchange student Alex Magnusson at first singles, who intimidated any opponent by his height and powerful shots. A younger player, sophomore Kevin Fisher proved to be very valuable for the team at second singles, finishing 10-10. Junior Pat Hillman's sharp skills helped him finish out a strong season 13-7 at third singles. Junior Ravi Patel made a successful singles debut in the preliminary tournament match, and gave everyone a glimpse of what is to come in 2009. Norton was lucky to have had all these talented athletes, and even luckier to have strong JV players to fill the spots of the 2008 graduates. The outlook on the 2009 spring tennis season is hopeful for this team. Senior co-captain Mike Ahern hopes his hard work will pay off for him and his first doubles partner senior Alec Dorsey. Senior co-captain Pat Hillman is a tough competitor with the skills and experience necessary to be successful in singles this year. Senior Ravi Patel hopes to pick up where he left off in 2008—winning easily at third singles. Junior singles player Kevin Fisher looks to improve upon last year, and given that he always puts in 150% that shouldn't be too hard for him. Debuting at second doubles are juniors Pete Danko and Sean Keating, both of whom are incredible athletes both on and off the court. Each and every year the NHS Boys' Tennis team has improved their record. Let's hope the trend continues into 2009 and for many years to come.

The girls tennis 2008 season was a very memorable one. Although they didn't win many matches, the team always excelled at teamwork and sportsmanship. Senior co-captain Lauren Southworth was a talented leader on and off the court and always had a positive attitude, at first singles. At first doubles, senior co-captain Allison Dutcher always made the team laugh and tried her best. The rest of the team included junior Calley Fisk, sophomores Priya Patel, Sam Baker, Meg Gallahue, Katherine Schuko, and Ruth Kellogg, and freshmen Kim Smith and Vikki Miller. The 2008 tennis girls always had fun, tried their best, and made a lot of great memories together.

What was supposed to be a rebuilding year for the Norton High School Boys Soccer team turned out to be a success. For the second year in a row, they had made it into the playoffs; with the help from the coach, Eric Greene. With so much inexperience on the team Greene counted on the upperclassman to not lose their control. Senior captains Mike Kelly and Kam Campbell contributed greatly to their team's accomplishments. With the help from all the other seniors, they helped paved the way to a great year. Devin Askew and Keegan Campbell led the way on the offensive side, Kam Campbell held a tight line in the back, and Mike Kelly controlled the center of the pitch. Norton's season came to an end with a loss to Hanover; but not before beating the number one seed, undefeated Harwich. The Lancers' hard work, dedication, passion, leadership, and great coaching proved to be what the Lancers needed.

Under the leadership of captains Valentine Mello and Stephanie Powers, the lady Lancers posted their best record in recent history and tallied their greatest number of wins since joining the Tri-Valley League. Seniors Casey Remick, Chelsie Schuko, Samantha Varney, Valentine Mello, Virginia Roussel, Meg Bramwell, and Brianna Freeman meshed well with a tremendously talented group of freshmen, including standout forward and leading scorer Meagan Elliott. Highlights of the season included a dramatic victory over Tri-Valley powerhouse Medfield, the junior varsity girls' league-wide dominance and Casey Remick's lighthearted country crooning. Overall, the team has turned the corner and is prepared to continue the ascent next fall under the direction of second-year Coach Todd Kefor and captains Stephanie Powers, Jillian Wry, Brianna Valeri, and Nicolette Schuko.

# Football

The football team entered the season with extremely high expectations, and did all that they could to fulfill them. Starting off the season with a huge win over highly favored Masconomet, the Lancers started off strong with six straight wins before losing their only regular season game to Medfield. The team finished the regular season with a record of 10-1 highlighted by a huge win over Medway and a 54-0 win over Bellingham, to clinch the league title. The Lancers then traveled to B-R to take on Abington to determine who would play in the SuperBowl at Gillette Stadium. The team beat Abington 14-6 and headed to Gillette. The Lancers fell short on SuperBowl Saturday but, regardless of the outcome, the season will always be a memorable one. There is nothing else to say.

It was a year to remember for the 2008 Norton Lancers XC team. This year's men's team was led by captains Andrew "Swiddy" Swiderski, Gil O'Neil, and Cam Parker. The ladies' team was a four-person squad led by Annie Ledbetter and Kayla Bessette. The men's record was 5-3, and the ladies' record was 1-7. Even though the ladies' team was so small, they all ran their best and improved after every race. Swiddy, Gil, and Cam were named TVL All-Stars, and Swiddy placed well enough in the D4 State meet to earn himself a spot in All-States. The men's team was awarded with the Ted Dutkiewicz Sportsmanship Award, as they were selected from all D4 schools in Massachusetts to win this. It was also Kent Taylor's first year as an XC coach, and he was proud of everyone's effort.

It has been a successful year for the Norton High Golf Team due to increased practice and passion for the sport. With team captain Peter Danko, and coach Ryan Riley, the golf team has been good opposition to the other teams in the TVL. With a strong lineup of veteran players to help guide the new, successful Freshman members of the Norton High Golf Team, they were able to compete at a higher level of play than in years past. This year team members Peter Danko, Jon Mattos, Aaron Ledwith, and Michael Adler, made it to the TVL Championships at New England Country Club. In the State Qualifiers, the boys wrapped things up with Peter Danko, Jon Mattos, Aaron Ledwith, Michael Alder, Sam Phillips, and Zack Schuster. Danko had the leading score of 77, earning him the rank of 13th and giving him the opportunity to compete in the State Tournament. # cheerleading

The Norton High School Cheerleaders did a fabulous job at cheering on the Football team this year. They helped the team go all the way to Gillette Stadium, where they kept the spirits high and the crowd involved. Each cheerleader showed dedication by committing their time to practice during the summer. During the season, the cheerleaders learned a competition routine, which they performed at the TVL Competition in November. Throughout the season, along with practicing for their competition, they had made each of the football players a goodie bag for every home game. The cheerleaders also performed for FOX 25 News when they came for their High School Friday broadcast. The team was led by the two seniors captains, Ashlee Perrotta and Maria Frazis.

# swim team

The Norton High School varsity swim team was successful in many aspects of the sport this year. Consisting of 16 members, the team was led by its seniors to the second victory in the team's short history. The boys also notched two more wins in the final meet of the season. Everyone on the team made vast improvements in that each person set at least one personal record and much of the team was legal in more than one, if not legal in all four strokes by the end of the season. At the conclusion of the season fifteen school records were set and many first, second, and third place places were achieved. Even with the lack of numbers in swimmers compared to other teams, the team was able to come together as a 'family' and achieve new feats that did not seem possible to anyone at the start of the season.

The Norton Wrestling team had a momentous season this past winter. They had started off the season with a quad meet with teams from Norwell, Nauset, and Taunton High schools. But before the wrestling was to begin, head coach Pat Coleman announced that the team would be dedicating this season to Alexa Latteo, step-daughter of assistant coach Peter Holmes. Before taking the mat, every Norton wrestler was outfitted with a black band around their arm in Alexa's honor. At the end of the day the Lancers had gained three wins and was off to a good start. But the true test was ahead as the team was headed to Hopkinton High School for their first TVL match up. The Hopkinton Hillers were the TVL Champions in 2007 and the Lancers were in 2008. The team, led by seniors Josh Archer, Ross Parlon, Dean Parlon, Seamus Slattery, Joe Alberico, Andrew Rockwell and Chris Hamel, were victorious at the TVL for the second year in a row.

# girls basketball

• • • • The Norton High School Girls basketball program had a challenging yet rewarding 2008-2009 season. They finished their season with 3 wins, beating Bellingham twice and Scituate once. The other nineteen games were losses, but they put 100% effort into each game and every second the clock ran they were improving. Over the season they learned how to work and play as a team. The only senior, Michelle Kilburn led the team with knowledge, understanding, and experience. The two captains, Shannon Hansen and Katie Baird kept the motivation high and spirits up, along with their hard work underneath the basket. Kayla Bessette and Meg Brown took control of the game with their clutch three-point shooting. Jess Wasylow and Audra Schlehuber contributed with their great ball control and enthusiasm for the game; they kept the team together in the hardest times. Also, Alex Grimes and Nicole Cuneo were key players that always came prepared. They both were athletic and aggressive. A mid season addition to the team was "lil" Kristin McGray. Her calm attitude, shooting, and ball handling, gave a breath of fresh air toward the end of the season. All of the girls improved this season as individual players as well as a team. All of these girls learned more than just the game of basketball, they learned how to be a team.

# winter track

The 2008-2009 Norton High School Winter track season was historic on both the boys' and the girls' sides. The boys finished the season with a 5-2 record, and the girls finished with a 3-4 record, both being the best in several years. Both teams were coached by Mr. Kent Taylor, and new this year, Ms. Kelsey Klenck, a former captain of the NHS track team. The boys' and girls' team were able to achieve a combined twelve school records. On the boys' side, Emerson Almeida, Gil O'Neil, Chris Lenihan, and Brian Desmond, all qualified for All-States in the 4x400 meter relay, setting a new school record in the process. Gil O'Neil, Cam Parker, Brian Desmond, and Sean Ryan were named TVL All-Stars. On the girls' side Caroline Allen, Laura Johansmeyer, Paige Almeida, and Kim Schubert, all qualified for All-States, also breaking the previous school record. Kelly Allen qualified for All-States in the shot put and Courtney Williams qualified in the 55 meter dash. Altogether the team made out with a great season. Also, for his great success in improving the team, Kent Taylor was named "Coach of the Year".

# Prom

## April 12, 2008

Prom took place at Lombardo's on April 12, 2008. The 2008 prom song was "Don't Want To Miss a Thing" by Aerosmith. It was a black and white affair. The prom court was made up of seniors, Brittany Costa, Kelly Hansen, and Elizabeth Devolve. Prom Queen was given to Molly Anderson, and Prom King went to Tom McDermott.

# Senior Cruise

September 16, 2008

This year, the theme for the annual senior cruise was black and white formal. The seniors looked great as they got off the bus at Boston Harbor. A white ship was there, waiting to take the seniors away on a night of cruising, dancing, and fun. On the top deck of the ship, the seniors watched the sun set beyond the Boston skyline. As night fell, the seniors went below deck and danced the night away.

# Halloween

## Homecoming, 10/18/08

2008 Homecoming was a huge accomplishment. The dance was held in October, and the theme this year was "Halloween Homecoming." Along with this theme came prizes. The funniest went to Junior, Joe Petrelli, who was a dancing nerd. Most Original went to Owen Voelker who was Alexander Hamilton. Lastly, Best Group went to seniors Cam Parker, Gil O'Neil, and Andrew Swiderski, who were Kenyan racers. Homecoming Queen and King went to seniors Kristen Morris and Rafael Colombo. Juniors Colleen O'Neil and Sam Phillips were crowned Princess and Prince.

# 2008 Snowball

## Norton High School

The annual Snowball Dance took place on December 6th, 2008. It was located in the Cafeteria, which was set up for the theme of Winter Wonderland. The Sophomore class put together multiple designs and decorations to decorate the cafeteria for the Freshmen and Sophomore classes. The song that was chosen by the sophomores to be the Snowball Song was "Nobody's Perfect" by Hannah Montana. The underclassman had a great time dancing the night away.

# Semi-Formal

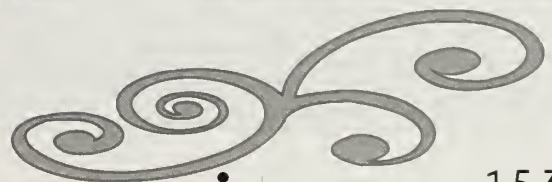

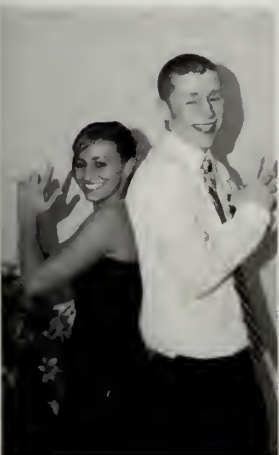

November 21, 2008

The Semi-Formal is an annual dance that is put on by the French and Spanish Honor Societies for the Juniors and the Seniors. This year, the dance was a huge success. Many people met up at the Mansfield Holiday Inn on November 21, dressed up to dance the night away.

## Swim in the Ocean

A little girl wanted to be a princess, then a clown, then a power ranger, then she changed her mind, dyed her hair red and became a spice girl. That still didn't make her happy so she tried girl scouts, softball, basketball, cheerleading and street hockey. Gave all those up tried her hand at art, oh my. Then she tried to bake, Betty Crocker she was not so she tried swimming instead. At first she walked in the water but quickly sank, we saved her. Again she tried, this time with a float and a whirling dervish she became. We saved her again and signed her up for lessons. She took them all and joined a team. She made districts and sectionals, had fun and made friends along the way. She leaves the team as captain to start her search again...

## Friends I made along the way

**My sister Leslie**

**Dad & me**

## The World Awaits:

The world is eager for her to wade in. As you take your plunge it may feel like shallow water or like you will get swallowed up by the ocean. Just remember to have fun and make friends as you move from one lane to the next. Life is about challenges, it's time to play the game. Take a deep breather and plunge away.

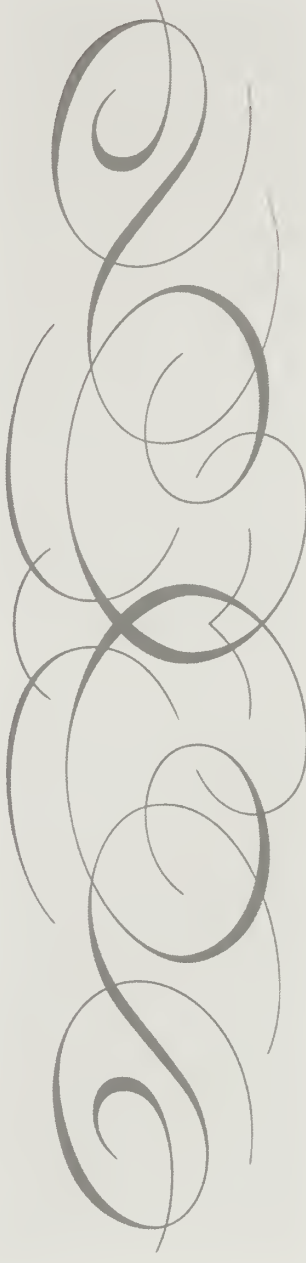

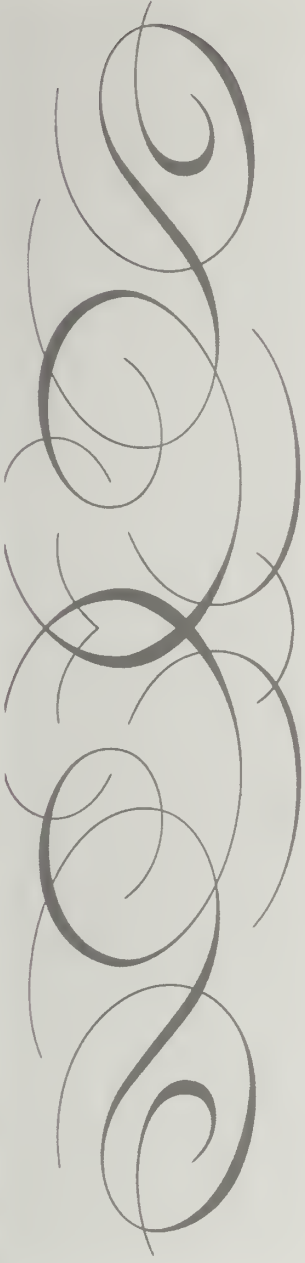

Mom and Dad

Dear Ashlie,

Just wanted to let you know from the second I heard this song it took my breathe away, it's like they were in my head knowing how bittersweet this is.

CONGRATULATIONS

She's gotta do what she's gotta do  
And I've gotta like it or not  
She's got dreams too big for this town  
And she needs to give 'em a shot  
Whatever they are.  
Looks like she's all ready to leave  
And nothing left to pack  
Ain't no room for me in that car  
Even if she asked me to tag along  
God I gotta be strong.  
She's at the startin' line of the rest of her life  
As ready as she's ever been  
She's got the hunger and the stars in her eyes  
The prize is hers to win  
She's waitin' on my blessings 'fore she hits that open road  
Baby get ready, get set, don't go.  
Looks like things are fallen into place  
Feels like they're fallen apart  
I painted this big ol' smile on my face  
To hide my broken heart  
If she only knew  
This is where I don't say what I want so bad to say  
This is where I want to but I won't get in the way  
Of her and her dreams  
And spreadin' her wings  
She's ready to fly  
She's at the startin' line of the rest of her life  
As ready as she's ever been  
Got the hunger and the stars in her eyes  
The prize is hers to win  
She's waitin' on my blessings 'fore she hits that open road  
Baby get ready, get set, don't go.  
Don't go  
I'll let her go now, she's ready  
Don't go  
I'll be alright.  
I'll be okay  
Know that I'll be  
Thinkin' of you  
Each and every day  
She's gotta do what she's gotta do  
I gotta like it or not.

**Eric,**

We know to you it seemed a long time in the making, but the big day is finally near. As graduation approaches, it is our hope that you will reflect on your accomplishments and all those who have influenced the man you have become - a good man that is strong willed, intelligent, and courageous. A man who lives by his convictions, is warm hearted, and a loyal friend, brother, and son ... a good man. While doing so, you will hopefully realize that perhaps those who drove you the hardest were the people who will ultimately make the greatest impact on your future for they cared enough to help you realize your potential.

This chapter of your life has given you a lot of memories to take with you. Learn from and treasure these experiences for you will need them for the choices you will be making once you leave the familiar hallways of Norton High School.

We are so very proud of you and will always be there for you. Your future is bright and yours for the making. Best wishes for good health, success, and happiness in all you do.

**Congratulations Brownie!**

we have known are those  
who have known defeat,  
known suffering, known

Chelsie,

**Chelsie Deanna Schuko**

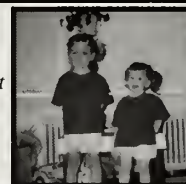

I always called you "My Glowing Girl" because you had that sparkle in your  
eyes, a smile on your face, and that outgoing personality to match. To this  
day, none of that has changed. Life with you has never been dull or boring.  
You came into this world with a Bang and you have lived everyday with that  
same spunk. We admire those unique characteristics that make you who  
you are.

Just remember, everything in life requires time, patience, and  
perseverance. You have all the potential to accomplish your goals. Once  
you set your mind on something nothing can stop you. You may encounter  
some minor obstacles but just stay focused and don't let anything get in  
your way. Just keep on trying and never give up.

We love you and are so proud of the young lady you have become.

Jill,

You are my sister by chance and my best friend by choice. So  
many memories along the way, it almost seems impossible that

will always give you the guidance you need. I will miss you at  
home but I think I can learn to live without your loud voice.
